To whom so ever it may concern

This is to certify that we have purchased two nos **VRp (TSi-Precision Voltage Regulator)** through **M/s Eee Power Solutions, Meerut** for our HIEDELBERG Offset Printing Machine. We are using this product from last 22months, and working smoothly.

We have also purchase the other electrical equipments i.e. Transformer and HT breaker panel by Eee power Solutions. Mr Nipendra Tyagi proprietor of M/s Eee Power Solutions is a creative, solution provider and responsible person and having good technical knowledge. The association with him is satisfactory.

Thanking you
