## To whom so ever it may concern

This is to certify that we have purchased servo stabilizer and transformer 2000 KVA, 1500 KVA and more by **M/s Eee Power Solutions, Meerut**. The equipment purchase by Eee power solutions is working vary good and meet all our requirements from last one year.

The services of the Eee Power Solutions is very fast, efficient and reasonable.

Eee power Solutions is a **creative solution provider and manufacturer** and having good knowledge about the same.

The working is satisfactory and we will wish to work with them in future also and can recommended to any body.

With Best Regards

For Microtech Industries

**S.N. Mishra**
