To whom so ever it may concern

We confirmed that we have purchased **two nos Servo Voltage Stabilizer** of 1000 kVA and 1500 kVA from **EEE POWER** , Meerut and was installed in **Nitin Lifesciences Ltd. , Paonta sahib.**

Servo Voltage Stabilizers was installed in 2016 and is still working very smooth. The product performance is very high and its working efficiently.

We have also recommended **EEE POWER** products to various persons. We wish to buy **EEE POWER** Brand products in future also.

The personals of **EEE POWER** and their services response is very high and satisfactory. They had given the perfect, economical and suitable solutions for all the electrical requirements. **EEE POWER** is a creative solution provider and manufacturer and have good knowledge about the same.

Thanking you

For

Nitin Lifesciences Ltd.
