## **To whom so ever it may concern**

We confirmed that we have purchased **Servo Voltage Stabilizer** of 800 kVA from **Triple EEE POWER Solutions Pvt. Ltd., Meerut** and was installed in **Panchwati Nutrients, Roorkee (U.K.)**

Servo Voltage Stabilizer was installed in 2017 and its working very smooth. The product performance is very high and its working efficiently.

We have also recommended **EEE POWER** products to various persons. We wish to buy **EEE POWER** Brand products in future also.

The personals of **EEE POWER** and their services response is very high and satisfactory. They had given the perfect, economical and suitable solutions for all the electrical requirements. **EEE POWER** is a creative solution provider and manufacturer and has good knowledge about the same.

Thanking you,

For **Panchwati Nutrients.**
