## To whom so ever it may concern

We confirmed that we have purchased two nos **Servo Voltage Stabilizer** of 150 kVA and a **Distribution Transformer** of 400 kVA from **EEE POWER**, Meerut and was installed in **Shanti Associates Baghpat road Meerut**.

Servo Voltage Stabilizers was installed in 2017 and Distribution Transformer was installed in 2022 and both are working very smooth. The product performance is very high and its working efficiently.

We have also recommended **EEE POWER** products to various persons. We wish to buy **EEE POWER** Brand products in future also.

The personals of **EEE POWER** and their services response is very high and satisfactory. They had given the perfect, economical and suitable solutions for all the electrical requirements. **EEE POWER** is a creative solution provider and manufacturer and have good knowledge about the same.

Thanking you
