To whom so ever it may concern

We confirmed that we have purchased two nos Servo Voltage Stabilizer of 2000 kVA from EEE POWER, Meerut and was installed in Sar Denim Pvt. Ltd. Hindupur, A. P. India.

Servo Voltage Stabilizers were installed in 2016 and its working very smooth. The product performance is very high and its working efficiently. We have also recommended EEE POWER products to various persons. We wish to buy EEE POWER Brand products in future also. The personals of EEE POWER and their services response is very high and satisfactory. They had given the perfect, economical and suitable solutions for all the electrical requirements. EEE POWER is a creative solution provider and manufacturer and have good knowledge about the same.

Thanking you
