

EEE POWER

EFFICIENCY | RELIABILITY | CONSISTENCY | OPTIMIZATION | SUSTAINABILITY | CUSTOMIZATION

Vision:

A company established to be a leading force in the electrical and power solutions industry by delivering innovative, reliable, and sustainable technologies - built on trust - that empower enterprises and communities to thrive.

Mission:

At EEE POWER, our mission is to deliver state-of-the-art electrical solutions that combine cutting-edge technology with unwavering trust and exceptional service. We are committed to optimizing performance, enhancing productivity, and exceeding customer expectations through innovation, integrity, and technical excellence.

Our Technology Partner

We are proud to be an authorized System Integrator for CG Power & Industrial Solutions Ltd.

Through this collaboration, we deliver high-performance, reliable, and application-specific HT VCB panel solutions tailored to diverse industrial and infrastructure requirements.

 CG Power and Industrial Solutions Ltd.

HT VCB Panels (Calix Series)

EEE Power, in collaboration with CG Power, offers advanced HT Vacuum Circuit Breaker (VCB) Panels - Calix Series, designed for medium voltage distribution networks. The system complies with IEC 62271-100 / 200 standards, ensuring superior quality and performance.

Key Features

- Floor rolling type breaker with horizontal draw-out mechanism
- Fully compartmentalized design for enhanced safety
- Rack-in / Rack-out operation with door closed
- CG make vacuum interrupters & protection relays
- Mechanical endurance (M2 Class - 10,000 operations)
- SCADA compatible control system via USB / RJ45 port.
- Multiple electrical & mechanical interlocks

Technical Highlights

- Rated Voltage: 12 kV / 36 kV
- Rated Current: 800 A - 2000 A
- Breaking Capacity: Up to 25 kA
- Protection: Up to IP5X (optional)

Other Products & Services:

Products: We are into manufacturing of Transformers, Servo Stabilizers and Compact Sub Stations (CSS). We also provide Electrical Control Panels, including PCC Panels, MCC Panels, PLC Panels, APFC Panels, AMF Panels etc.

Electrical Consultancy: We provide the complete electrical consultancy for all types of projects.

Turnkey Services: We are electrical project contractor undertaking turnkey projects of electrical installations including Design, Engineering, Supply, Installation, Testing & Commissioning for industrial, commercial and residential projects.
